Dear Sir,

Please find below Kunal Sir, Expert Bio summary for your seminar reference.

Guest Expert Bio – Kunal Soni

AI Strategist | Future Skills Evangelist | Founder – MCI & NextGen Skills Lab

Kunal Soni is a recognized leader at the intersection of **Generative AI, future-ready education, and New-Gen workforce transformation**. As the visionary founder of the **Management Career Institute (MCI)** and the driving force behind the **Next Generation Skills Lab**, Kunal is on a mission to empower professionals, educators, and students to thrive in the age of intelligent systems & AI Era.

With 10+ years of experience in Enterprise Business, Startup Strategist & New Generation **skill-based learning innovation**, he has mentored thousands of professionals and business leaders globally through **live, application-oriented programs** focused on **Generative AI, Large Language Models (LLMs), AI Agents, and real-world AI deployment**.

At the heart of his work is a passion for **bridging academia with industry**, helping universities build AI-aligned curriculums, enable faculty upskilling, and prepare students for the most in-demand digital roles of the next decade.

Seminar Relevance:

- How Generative AI is disrupting industries, education, and work
- Real-world case studies on AI tools in business and learning
- Hands-on walkthroughs of AI models, agents, and applied use cases
- Role-based AI learning paths tailored for faculty and students

Kunal brings clarity, energy, and direction to complex AI topics — making them **accessible, actionable, and engaging** for diverse academic audiences.
